As there were no legal claimants when Pacha Bibi's share fell vacant & the present restoration of such lapsed share to Mr. Sher Khan was ordered by Govt after correspondence & consideration it is a matter for consideration whether in this enquiry any reference to Pacha Bibi's share is necessary.

On the death of Basira Bibi, a member of the Honnali Nawab's family, in March 1916, the political pension of Rs.8/- per mensem drawn by her has fallen vacant, and Mr.Sheir Khan the head member of the family has applied to Government praying that the above pension which was allotted to her out of his pension of Rs.202/- per mensem in Government Order dated 12th June 1909, may be ordered to be restored to him.

2. The Deputy Commissioner, Shimoga, reports after a detailed enquiry into the case that Mr.Sheir Khan's claim to the above pension is untenable so long as the legal heirs of the deceased are existing.

3. The political pensions separately granted in 1909 have to be continued unless they lapse by failure of successors The separate branches which were beneficiaries under that order cannot be deprived of their share and in this case there being a legal heir it should not revert to Nawab Sheir Khan on the death of the last-holder.

Sir,

With reference to your memo No.Fl.5713/Sr.A.111-15-3 dated 3rd May 1916 forwarding for enquiry and report petition No.88 dated 10th April 1916 from Nawab Sheirkhan of Honnali praying for the vacant share of ₹ 8/- in the family pension consequent on the death of Basira Bibi, I have the honor to state that the claim of the present Nawab Mr.Sheirkhan for the vacant share of ₹ 8/- is based on the ground—

That the amount of pension of ₹ 202/- has been sanctioned in full to him for life in Government Proceedings No.1414-6 S & A 248-06-30 dated 23rd September 1907.

2 What led to the separate payment to some of the members in the family was due to irregularity in the distribution of the amount consequent on some ill-feeling between them and the guardians of the present Nawab during his minority. In the absence of such a circumstance there would have been no occasion for the Government interference and their passing orders for independent payments to those members direct from the treasury.

3. He asserts that the lapse of ₹ 15/-, the share of Pachabibi which entailed in the reduction to the extent of the full amount of pension of ₹ 202/- is prejudicial to him and the Government order No.Fl.399 S & A 187-14 dated 10th February 1915 regarding the same was passed in the absence of proper representation of the nature of his claims without his having been an opportunity to represent his case personally and that his petition to modify the Government order in the light of his

subsequent representations is yet before the Government for final orders.

4 As the amount of pension, viz, Rs 202/- is intended for the benefit of the family and was sanctioned to the present Nawab in full for life there is some force in his prayer that the amount is not liable to reduction in the case of the death of any member who was allowed to draw a portion of the amount separately as stated above. My predecessor Mr. K. Matthan has also strongly recommended the reasonableness of the Nawab's claim for favorable consideration of the Government (vide letter No.209 dated 12th October 1914).

5 In the present case which is a repetition of similar circumstance occasioned by the death of another member of the Nawab's family, viz, Basira Bibi who was allowed to draw Rs 8/- direct from the treasury out of the full amount of pension. I concur with Mr. K. Matthan's view and recommend that Nawab's claim to the said share of Rs 8/- without its being allowed to lapse may be favorably considered.

6. The entire correspondence bearing on the subject together with the representation of Mr.Sheirkhan addressed to the Amildar o the Honnali Taluk clearly explaining the circumstances are herewit forwarded for kind perusal.

I have the honor to be,

Sir,

Your most obedient servant,

S i r,

With reference to your letter No.Fl.1820/S & A.111-16-3 dated the 21st September 1916 calling for a report showing all the heirs of the deceased persioner Bisira Bibi of the Honnali nawab's family, with my opinion as to the person or persons to whom the vacant pension should be con-tinued, I have the honour to forward herewith, copy of Shimoga Sub Division Officer's report No.258 dated the 30th April 1917 together with a file of vernacular records connected with the case and two petitions received with your letter under reply.

2. The report (No.207 dated 2nd December 1916) of the Amildar of Honnali filed with the vernacular record gives a detailed account of all the heirs of the deceased pensioner Bisira Bibi, and the grounds urged by each of the claimant Viz: 1Nawab Sher Khan of Honnali 2 Abdul Ahamed Khan alias Amirmia eldest son of deceased, Bisira Bibi, 3 Higgabibi, daughter of Bisira Bibi, deceased and 4 Hassan Alli alias Siggan Mia, brother of the deceased. It is reported that the deceased Bisira Bibi has fours sons and a daughter as noted below:-

1. Abdul Ahamed Khan alias Amir Mia, eldest son
2. Usmanalli Khan, 2nd son,
3. Rangkhan, 3rd Son,
4. Jabarkhan, 4th Son and 5 Higgabibi, daughter. Besides the above heirs, the deceased has a brother by name Hassanallikhan,who has,however , stated that he has no objection to the deceased's pension being continued to the eldest son of the deceased.The Sub Division Officer is of opinion that Mr. Sher Khan, the present Nawab

of Honnali is not entitled to the deceased's pension and according to the Mohamadan Law, the daughter is entitled to 1/3rd share and the other sons to 2/3rds.

3. For the reasons already given in my letter No.H.C.334 dated 15th August 1916 I am, however, of opinion that the share of the deceased Basera Bibi may be restored to Mr.Sherkhan, the present Nawab of Honnali, to whom a consolidated pension of Rs.202/- was originally sanctioned for life in G.O.No.Fl.1414-6/S & A 248-06-30 dated 23rd September 1907 the Government have in their order No.Fl.1728-9/S & A 11-15-2 dated the 19th September 1916 directed the restoration of another share of Rs.15/- appointed to Pacha Bibi one of the shareholders to Mr.Sher Khan on her death.

Hifza Bibi

Copy of letter No.258 dated 3rd May 1917 from the Sub Division Officer Shimoga addressed to the Deputy Commissioner, Shimoga District.

Adverting to your No.334 dated 18th October 1916 forwarding copy of letter No. 1820/Sa-A-111-16-3 dated 21st September 1916, from the Secretary to the Government, General Department to your Office and calling for a comprehensive report showing all the heirs of Bisir-bibi of Honnali Nawab's family with opinion to the person or persons to whom the vacant pension should be continued, and also to forward the pension payment order of the deceased, I have the honor to submit herewith the entire records ending with the Honnali Amildar's report No.207 dated 2/13 December 1916 on the subject. It will be seen that the Amildar in his detailed report after enquiry has given the names o the several heirs of the deceased's pensioner, Bisirabibi and they are four sons and a daughter as noted below:-

1. Amirmia, Eldest son.
2. Usmanalli Khan 2nd son.
3. Rauf Khan 3rd son
4. Jabbar Khan 4th son
5. Hibjabibi daughter (Vide the Geneological tree in th report)

Besides the above heirs, the deceased has a brother by name Hassahalli Khan who has stated that he has no objection to the share being made over to the eldest son of the deceased.

2. Another claimant to the vacant share is Mr.Sherkhan the pre sent Nawab residing at Honnali. As regards his claim it appears to me that it is untenable in view of the fact that the Government have already in their proceedings No.Fl.7922-3/324-08-4 dated 12th June 1909, observed that Bisirabibi amongst others was entitled to a defined share of pension and accordingly a separate pension payment orde was issued to her.

3. With respect to the person or persons to whom the vacant share should be continued, I beg to submit that under the Mohamadan La the daughter is entitled to 1/3rd share, and the other sons are entitled to 2/3rd. It is therefore a question whether the whole pension may be

given over to the eldest son of the deceased.

4. It is ascertained from the District Treasury Officer that the pension payment order has been sent to the Comptroller with his No.C. 826 dated 20th October 1916.

5. The Nawab's application for a share referred to above which was presented to this Office is herewith enclosed with the records.

His Excellency

May it please your excellency!

I, the undersigned Nawab Shair Khan Jommud Khubbul mulk Bahadur, Nawab of Hmali most respectfully beg to approach your excellency with the following request:—

I had sometime ago submitted an applicatin to your excellency praying therein restoration of the allowance of Rs 1-8 enjoyed by Bassibi (deceased) a stipendiary of my pension. The lady was married to a gentleman (deceased

who is not a member of
the family. The deceased gentleman
has children who I understand have
applied for the continuance of the allowance
to them. Another stipendiary, Hasan ali
Khan also in receipt of Rs 35 per month
of the pension is said to have claimed
the increment.

2 It has been the intention of
Government as expressed by the Chief Commissioner in
his letter [illegible] that the father and only legitimate
children of the family should be benefitted by the pension. The first petitioners
(sons of the deceased lady) do not come
under this category of legitimate and direct descendants
and simply because they happen to have a
lady of our family as their mother.
Now there can be [illegible] in which our
family pensions are continued to
the descendants of different families. I
therefore say that it is absurd for them
to say that they are members of our family
and have reason whatever to claim

The other claimant Hasan ali Khan who is paid Rs 35 per month out of my pension has for his share fixed by Govt: He has no mother, no children and no sister or any other dependants. For his single life, the liberal allowance of Rs 35 is quite ample. Besides it is not fair that when any share falls vacant it should go to other share holders instead of being reverted to the Head pensioner of whose pension the shares are paid. If family increases I will be required to make more payments and not the share holders. So why should vacant shares be distributed amongst share ers? All the shareholders have their fixed allowances paid them regularly and they have no reason to be discontented

4 ~~The~~ Govt: have for the representative of the family, a

the present Half Pensioner, and as such, he is entitled to a larger share of the [illegible] wish to maintain the respectability and integrity of the [illegible].

I have been married and I have got my wife, children, mother, sister and an aunt (sister of my father) to depend upon me. In fact, what I [illegible] of my pension after so many distributions, do not suffice the necessities of the family.

Under these circumstances I pray, that your excellency will be pleased to [illegible] restoration of Rs 8 to my pension as was kindly done in the case of a vacancy [illegible] of Rs 15 similar to this.

For which act of Kindness, I shall ever be bound ever pray for your [illegible] life and prosperity

I beg to remain
Your excellency's most obedient
and humble servant
Sheik Ahmed Jamadar

To

Sir,

With reference to your letter No. Fl. 748 S.A.A. 17-18-3 dated the 14th August 1917, regarding the disposal of the share of Rs 8/- in the State Pension of the Honnali Nawab's family rendered vacant by the death of Basira Bibi, I have the honour to state that deceased Basira Bibi's separated share of Rs 8/- may be continued in the name of her eldest son for the benefit of the family in preference to its being subdivided into small shares according to Mahamadan Law, as the procedure recommended has the concurrence of her family including her elder brother.

2. Mr. Sher Khan, the Nawab of Honnali opposes the claim of Basira Bibi's children for the grant of her share of the pension on two grounds Viz, (1) that they belong to a different family and the pension cannot descend through a female heir of the original donee and (2) that when lapsed, it should revert to him as the head of the family. It appears to me that both these grounds are untenable. Mr. Rustum Alli Khan, a son of the daughter of the original donee is now enjoying a portion of the pension and this makes a precedent for Basira Bibi's sons. Even if the pension should lapse by Basira Bibi's death, the reversioner would be Hassan Alli Khan, as it was out of his share that Basira Bibi's pension was carved. (Vide Government order

No. Fl. 3385-6 S & A 111-09-3 dated 18th January 1910)

3. The enclosures are resubmitted for 'kini reference and return.

and stating that Sherkhan's contentions that after the death of Basira Bibi the separate share registered in her name should be restored to him as it was carved out of his pension of Rs.202/- is untenable so long as the legal heirs of the deceased are existing and recommending that the deceased Basira Bibi's separated share of Rs.8/- may as agreed to by all the members of the family, be continued in the name of her eldest son Amir Mia Sab, (alias Abdul Ahamed Khan) for the benefit of the family in preference to its being sub-divided into small shares among the several heirs according to Mahamedan Law.
